Sunset Western Garden Collection

Common Name: 'Silver Shadow' compact astelia **Scientific Name:** *Astelia chathamica x nervosa*
Hardiness Zones: 8b-11
Requirements: Well-drained garden soil **Ornamental Features:** Attractive, metallic silver-green foliage **Habit & Growth Rate:** 3 feet tall by 3 to 4 feet wide
www.plantdevelopment.com

Tesselaar Plants

Common Name: Flower Carpet Pink Splash **Scientific Name:** *Rosa* 'Noasplash' **Hardiness Zones:** 5-10 **Requirements:** For best blooms, grow in full sun (grows well in partial shade with fewer blooms); in areas of intense heat, provide semi-shade/filtered light; best in well-drained/friable soils with added organic matter, but can thrive in a variety of soils. Tolerant of dry conditions when established **Ornamental Features:** Masses of bicolor hot pink and pale pink blooms; glossy green foliage **Habit & Growth Rate:** Low-growing compact bushes with dense flowers and foliage; mature height 23 to 31 inches; mature width 40 inches www.tesselaar.com

Rancho Tissue Technologies

Common Name: Satina agave **Scientific Name:** *Agave ellemeeetiana* 'Satina'
Hardiness Zones: 9-11
Requirements: Full sun to partial shade, but not in climates where it may need sun protection
Ornamental Features: Smooth, satiny leaves, no spines **Habit & Growth Rate:** Fast growth; 4 feet by 4 feet
www.ranchotissue.com

Thompson & Morgan UK

Common Name: Foxglove Sugar Plum **Scientific Name:** *Digitalis purpurea* 'Sugar Plum' **Hardiness Zones:** 4-8 **Requirements:** Well-drained soil, sunny position **Ornamental Features:** Pink flowers with dark purple throats; flowers are closely packed on the stem to provide more interest; the tall plants will add color to the back of the border **Habit & Growth Rate:** Final garden height of 30 inches
www.thompson-morgan.com

Terra Nova Nurseries

Common Name: Coral bells **Scientific Name:** *Heuchera* 'Sugar Berry' **Hardiness Zones:** 4-9
Requirements: Full sun, part shade, full shade; moderately well-drained, organic soil types are best **Ornamental Features:** Berry-violet colored foliage with dark veins and pale pink flower spikes; attracts butterflies and hummingbirds **Habit & Growth Rate:** Mounding habit; 6 inches tall by 10 inches wide with a 10-inch flower height
www.terranovanurseries.com

Walters Gardens

Common Name: Bee balm **Scientific Name:** *Monarda didyma* 'Pardon My Pink' & 'Pardon My Purple' **Hardiness Zones:** 4-9 **Requirements:** Thrives in average to rich, consistently moist soil; prefers full sun but will grow in light shade **Ornamental Features:** These dwarf cultivars are perfect for containers or the front of the border; vigorous growers with bushy, glossy, deep green foliage; 'Pardon My Pink' produces large, bright pink blossoms; 'Pardon My Purple' has large, fuchsia purple flowers **Habit & Growth Rate:** Short, bushy, compact clump; 10 to 12 inches tall by 8 to 12 inches wide
