The winners

Congratulations to Patrick and his team who won the Best New Plant in Show at the Woking show 2008 with Heuchera Midnight Rose.

This new form of Heuchera is available via Aline Fairweather and is a product of their collaboration with Dan Heims Terra Nova Nursery in the USA.

The award is timely as this year the nursery has assembled the largest collection of UK available Heucheras for evaluation.

The display goes from the nursery on the 17th July to Fairweathers garden centre in Beaulieu where the public will be able to see the entire range.
