Habit: Mounding

Diseases: The plants can have leaf spot and crown rot if kept too moist

Day Length for Flowering: Long day

Do NOT bury the crown of the plug

Description

A very bright, ruby-garnet colored flower that smells wonderful. Compact, bowl shaped habit is one of the hallmarks of the DELIGHTFUL™ collection. Excellent for container culture and gorgeous in flower beds. Attracts butterflies, honey bees and other pollinator insects. Deep, pine-green foliage is the perfect foliage for this plant.
