Description

Lovely and unique dwarf echinacea has wowed viewers with its charm. Petite petals of hot pink surround deep orange cones. Outstanding number of flowers in multiple layers cover the entire plant with glowing color. Perfectly sized for container use, these echinacea look great at retail and are fantastic for summer displays. Line a sunny border with groups of these or place them in front of a mixed bed. Echinacea DELIGHTFUL™ 'Radiance' is sure to make you smile.
