Possible Problems: Insect: Watch for aphids, mites, thrips, whitefly and slugs

Habit: Upright

Diseases: The plants can have leaf spot and crown rot if kept too moist

Day Length for Flowering: Long day

Do NOT bury the crown of the plug

Description

Everything about this plant is striking! Gorgeous, jewel toned flowers are exceptionally showy, bearing two tones at once. Rose pink is the heart of the flower and pastel lime is the ring around the rose colored heart. Stiff, upright stems are great for cutting and healthy foliage completes the picture. Definitely a show stopper.
