Habit: Clumping

Diseases: The plants can have leaf spot and crown rot if kept too moist

Day Length for Flowering: Long day

Do NOT bury the crown of the plug

Description

Another great addition to the PRINCESS™ series of Echinacea. Rich, honey colored flowers are well scented and attract pollinators like crazy - especially butterflies! Tight compact habit and long lasting flowers for months. Deep green foliage, right to the ground, completes this clean and tailored Echinacea.
