Habit: Clumping

Diseases: The plants can have leaf spot and crown rot if kept too moist

Day Length for Flowering: Long day

Do NOT bury the crown of the plug

Description

An absolute gem of a plant. Perfect, warm peach petals surround a small pointed cone and cover this plant for months. Two layers of petals fill out these charming flowers on this well behaved new addition. Ideal for garden beds and borders or as a container crop. Moss green foliage matches PRINCESS 'Bride' and are stunning grown in the same bed.
