Possible Problems: Insect: Watch for aphids, mites, thrips, whitefly and slugs

Habit: Upright

Diseases: The plants can have leaf spot and crown rot if kept too moist

Day Length for Flowering: Long day

Do NOT bury the crown of the plug

Description

This impressive beauty ticks all the boxes for a classic perennial. Tall and statuesque, with an amazing shade of lime green flowers that are very long lasting due to an extra dose of chlorophyll. Makes an excellent cut flower! very attractive to butterflies and other pollinators. Matches the vigorous habit of the others in the SUPREME™ series.
