Hardiness Zones: 6 - 10

Possible Problems: Insect: Mites and root rots can be an issue

Habit: Clumping, mounding

Diseases: Root rot can be an issue

Day Length for Flowering: Day neutral

Do NOT bury the crown of the plug

Description

This is a vigorous, evergreen plant, spreading by underground rhizomes with blue foliage and chartreuse colored inflorescences that fade to rust. 'Blue Lagoon' is larger than E. robbiae but foliage is similar.
