Habit: Mounding

Diseases: Root rot may occur with excessive soil moisture. Powdery mildew, rust, and leaf spots may occur.

Day Length for Flowering: Day neutral

Do NOT bury the crown of the plug

## Description

Effervescent flowers in shades of ginger yellow and light pink erupt from soft, ginger colored leaves. Lovely to contrast with the darker coral-bells in the marketplace. Designers love the ability of this plant to complement so many colors. It is a perfect neutral tone. Good in containers and in borders.
