Description

After years of trialing and visitor comments, we're finally launching a long sought after addition to our Heuchera line. Heuchera 'Paris White' has all the great attributes of the world's favorite flowering Heuchera 'Paris', but with elegant ivory-white flowers in great numbers. The flowers last a very long time and it keeps flowering right up until frost. Pretty enough for bouquets and stunning in containers. 'Paris White' is setting a new standard for flowering heucheras in the garden.
