Hardiness Zones: 9 - 11

Possible Problems: Insect: None

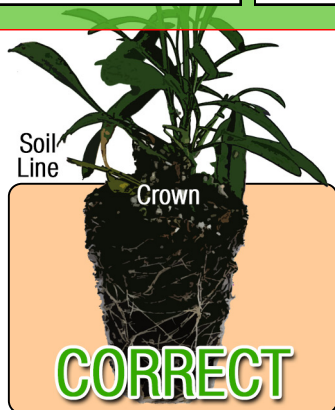

Diseases: Pythium, Rhizoctonia and Botrytis

Habit: Trailing

Day Length for Flowering: Short day

Do NOT bury the crown of the plug

Description

A TERRA NOVA® twist on an old favorite. A much improved version of the classic Swedish Ivy. NOVA® 'Brilliant' features deep emerald green centers surrounded by a broad, super white edge. Foliage is much thicker than the old version. Self branching, easy care plant. Just stunning in mixed baskets and containers. Excellent houseplant, too.
