Habit: Mounding, upright

Day Length for Flowering: Obligate long day

Do NOT bury the crown of the plug

Description

No other Sedum has garnered this much attention from visitors quite like new 'Cherry Fizz' has. This plant has a very large, very upright habit, and an incredible floral display for months in a sunny garden. Deep bronze colored foliage is a great foil for the enormous cherry pink flower heads, with extended interest from colorful burgundy seed heads. Big, beefy perennials are back!
